# WHAT IT ALL MEANS

**ACQUITTAL** – This involves reporting on the project once it is funded. It is essential that you report on how the project funded met its objectives.

**AUSPICE** – Some organisations are not incorporated which means they do not have legal protection. When this happens, the unincorporated organisation needs an incorporated organisation to apply on their behalf (auspice them). The incorporated organisation then administers the funds and are legally responsible for ensuring the funding agreement requirements are met. This includes signing the funding agreement and providing the project acquittal.

**CAPACITY BUILDING** – Empowering the community to develop skills and knowledge, increase participation, build resilience and work to meeting its own needs.

**CATEGORY** – the grants program offers a number of different categories. These include Aged and Disability, Arts and Culture, Community Capacity Building, Domestic and Family Violence Prevention, Harmony Day, Refugee Week, Youth Week and Creative Communities.

**CEO** – Chief Executive Officer.

**COMMUNITY ORGANISATION** – A voluntary community group, service organisation, arts and cultural organisation and other organisations that comes under the definition of “not-for-profit”.

**DISCLAIMER REGARDING PARTICIPANT CHARGE** – Fairfield City Council encourages funded programs to be free of charge or low cost to participants. Any proposed charge to participants, must be reflected in the project budget as income.

**FUNDING AGREEMENT** – This states the purpose of the funding, the amount of funds provided and the conditions of funding as well as the rights and responsibilities of either party to the agreement.

**GRANTS** – this is cash or in-kind support provided to successful applicants to achieve their stated outcomes identified in their funding application and agreed to in their funding agreement.

**GROUP** – two or more persons bound by a common purpose for the benefit of the community. The applicant group may be required to demonstrate previous group activities. Evidence may include but not restricted to previous event promotion, meeting minutes or relevant material.

**INCORPORATION** – Community organisations seek incorporation to provide themselves with a legal protection for members in legal transactions. You can find out more about Incorporation for community organisations [here](#). Some organisations may incorporate as an association, or a company or as a cooperative. Council will only enter into funding agreements with an organisation that has a legal status.

**NOT-FOR-PROFIT ORGANISATION** – A community organisation which is not operating for profit or gain of its members. Any profit or surplus it does make is used by the organisation to further its objectives.

**SMARTYGRANTS** – This is Council’s online grant application system. It is where you lodge your application and acquittal report. More information on SmartyGrants is available [here](#).

# FREQUENTLY ASKED QUESTIONS

## **HOW MUCH MONEY CAN WE APPLY FOR?**

No more than \$4,000 in the community grants program or \$3,000 in the THRIVE - Small Groups. In the Creative Communities Grant program the maximum amount is \$6,000.

## **WHEN WILL WE FIND OUT IF WE ARE SUCCESSFUL? WHEN WILL WE RECEIVE THE FUNDS? WHEN CAN WE RUN OUR PROJECT?**

You will be notified of the outcome of your application once Council has made a determination. Successful applicants will be emailed and a funding agreement will be provided. Once this is signed, funds will be made available and you can begin your project.

## **WE RECEIVED FUNDING LAST YEAR. CAN WE APPLY AGAIN THIS YEAR?**

Yes. As long as you have completed all your acquittals you can apply for more funding in each of our categories.

## **CAN WE PUT IN MORE THAN ONE APPLICATION THIS YEAR?**

Yes. We have a number of different categories. Some have two rounds each year. You can apply for any category as long as you have a project that meets the requirements of the funding. You can't submit more than one application for the same grant 'category', e.g. 2 applications for community capacity building. However, you can submit one application for each grant category, e.g. 1 application for Youth and 1 for Community Capacity Building.

## **CAN TWO GROUPS APPLY FOR THE SAME PROJECT?**

Two organisations can't apply for the same project, even if it's for different parts of it. Council will only make one contribution to a project. An organisation can be a partner in more than one project.

## **CAN MY ORGANISATION CHARGE AN ADMINISTRATION FEE FOR MANAGING THE GRANT?**

We are only providing small grants to organisations so there is not much capacity to pay an administration fee. At the most, you could claim 5% for administration.

## **OUR ORGANISATION IS BEING AUSPICED BY ANOTHER. WHAT DO WE HAVE TO DO?**

The auspicings organisation is responsible for submitting and managing the grant. Make sure you have a clear agreement with them around the project and your responsibilities. The auspicings organisation will need to sign the funding agreement and acquittal.

## **CAN WE EMPLOY A NEW STAFF MEMBER?**

The grants are not suited to employing a staff member or covering salary costs for project delivery. However, they can be used for a facilitator or group leader on a short-term contract.

## **WHAT IF I HAVE SOUGHT OTHER SOURCES OF FUNDING?**

Let us know if you have sought funding from elsewhere so we can make an informed decision.

## **DOES MY APPLICATION HAVE TO INCLUDE GST?**

All funding sought will be GST free. In your budget the total amount sought will not include GST. However, if your organisation is registered for GST at the time of payment, Council will add the 10% GST to your application.
