# *Alba Arias : Brushstrokes*

— AN EXHIBITION —

Alba Arias, local artist with 30 years of experience in painting and resident of Fairfield City is showcasing her dynamic artworks at Bonnyrigg Library. For the last nine years, Alba has dedicated her time, sharing her knowledge and expertise teaching Oil Painting Classes for Seniors at Bonnyrigg Library.

## **Bonnyrigg Library**

1 December 2024 to 28 February 2025

**Alba Arias** arrived in Australia in 1970 and was eager to start a new chapter in her life. After years of work she retired in 1994. When she was 57, she was walking in Liverpool and noticed a sign in the window of an art shop: “Dave Thomas teacher - Oil Painting Classes”. That moment sparked a passion for art that defined the next chapter in Alba’s life. That was how Alba’s journey into the world of painting began.

## Miras

### CELEBRATING UYGHUR CULTURE

The MIRAS exhibition - Miras meaning heritage or legacy- is a celebration of Uyghur culture through a display of carefully curated images of music, dance, food, and costume from photographers Dilbert Yusuf & Ammar Jamal.

Dilber Yusuf is a videographer & photographer who captures everyday moments in family life with simplicity & beauty. Her work provides a sense of mindfulness that is engaging and endearing.

Ammar Jamal's photographic work expands from fashion, landscapes, and travel to conceptual storytelling. Their work often explores intersectional identities and experiences of diaspora.
