Celebrating diversity

# MAYOR'S MESSAGE

---

## Frank Carbone

**Fairfield City Council's 2025 calendar is your guide to Council's annual program of events and services delivered across the City.**

Our City hosts some of the best family-friendly events across NSW, like our popular New Year's Eve celebration Illuminate and the Cabramatta Moon Festival, that attract thousands of people to our City each year. All our events are listed in the calendar so you and your families don't miss the fun. As well as being a lot of fun, our schedule of events brings communities together, celebrates our diversity, and fosters pride in our City.

Our signature events and family-friendly attractions also help drive our tourism economy; inspiring visitation to the area from greater Sydney and beyond, and providing a boost to our local economy. From the award-winning Aquatopia Water Park to our destination playgrounds, and Fairfield City Museum & Gallery's cultural exhibitions, programs and history; Fairfield City is an attractive place for locals and visitors alike.

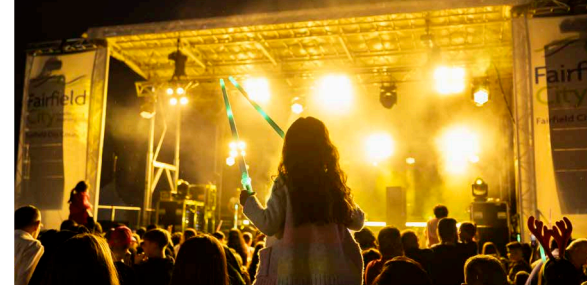

Fairfield City Open Libraries provides a wide range of free programs, workshops and exciting events catering to all ages and interests. Our branches offer members free access to their creative spaces like lab.LX, lab.LX STEAM, and Studio 2166. They also provide resources like free WiFi, storytime sessions, school holiday activities, and information sessions for seniors run by reputable organisations and agencies.

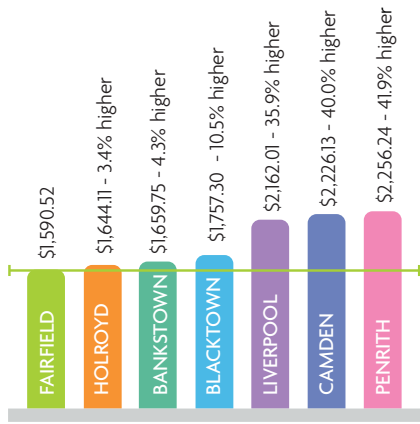

I encourage you to get involved in our events and activities for the year. Keep up to date by following us on Facebook @fairfieldcity and on Instagram @discoverfairfield.

Comparable rates and charges based on land value of \$700,000 and a standard 240 litre bin for domestic waste.

If we charged other councils' rates, this is how much more residents would have to pay per year.

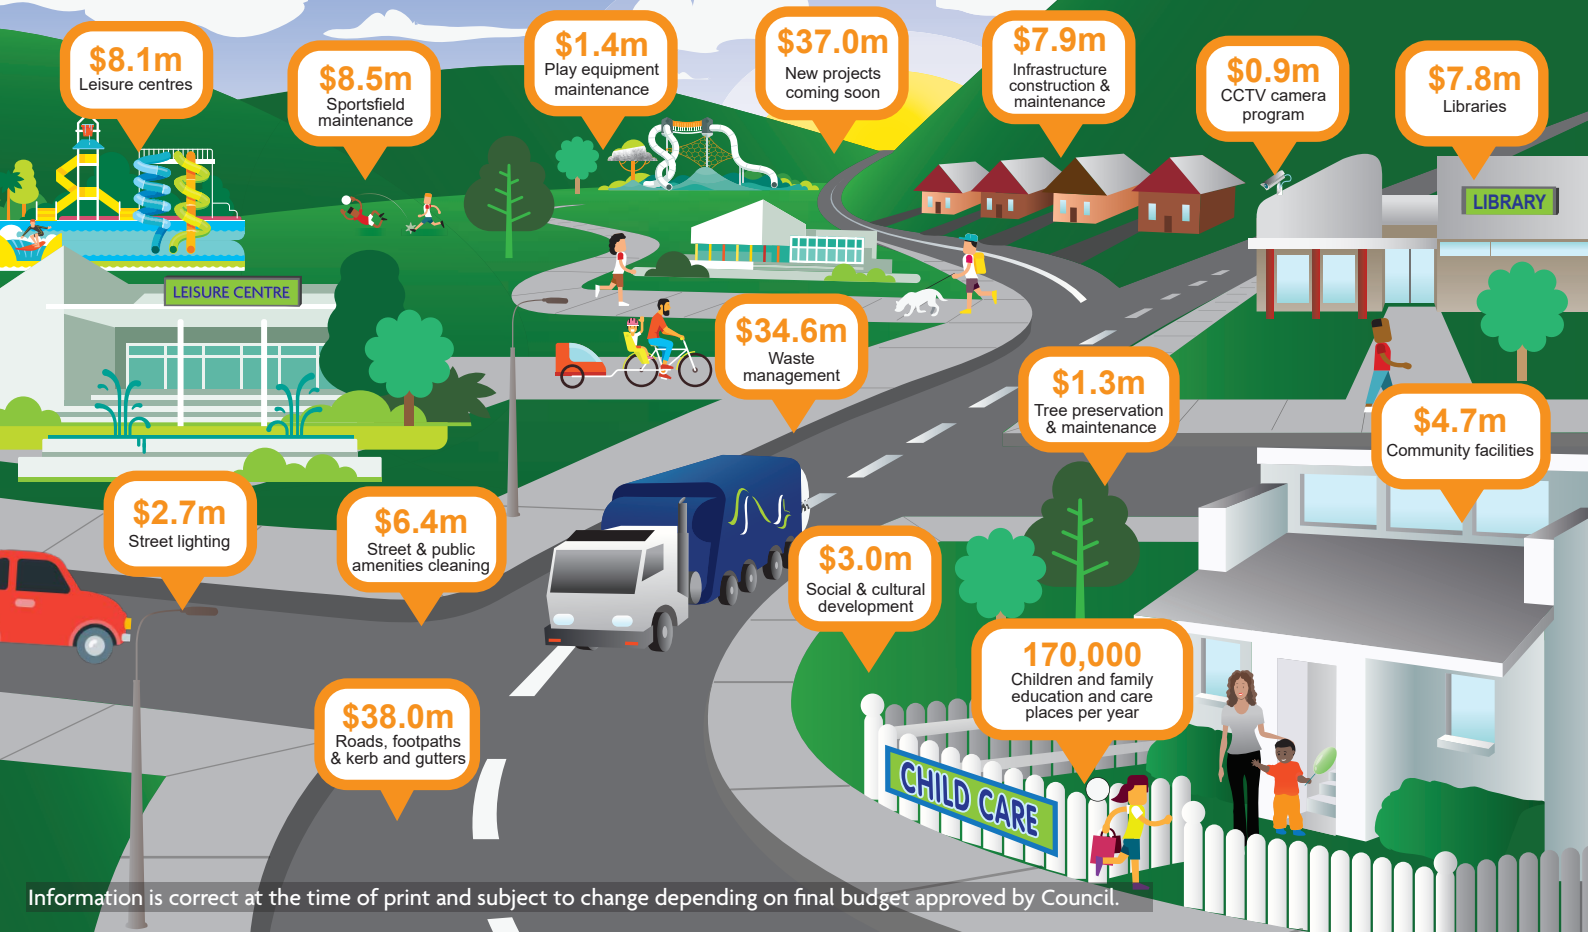

Financial borrowings as at 30 June 2023 in '\$'000

Fairfield City Council has one of the lowest borrowings in comparison to other councils while providing a high level of service to the community.

Figures are for 2024/2025 and are still preliminary and subject to change. Comparable rates and charges based on land value of \$700,000 and a standard 240 litre bin for domestic waste.

# UPCOMING MAJOR PROJECTS

## 1 FAIRFIELD SHOWGROUND COMMUNITY AND EVENTS CENTRE

Council has developed concept plans for a new Community and Events Centre at Fairfield Showground. The complex will cater for large events such as conferences, as well as indoor sports like futsal, basketball, volleyball and gymnastics.

Proposed plans include an exhibition hall and large stage suitable for music performances, multipurpose indoor sport courts. Part-funded by a \$28 million contribution from the NSW Government's Western Sydney Infrastructure Grants Program.

## 2 AVENEL FITNESS PARK

Avenel Park in Canley Vale is being transformed into a sport and exercise-orientated open space, enabling a range of physical activities and inclusive play.

The facility is a vast upgrade introducing a new skatepark, multi-sports court and walking circuit to provide a range of activities for local residents including inclusive fitness equipment with a 25-metre sprint track, multi-sports court, walking circuit path, cooling stations and bubblers, turf mound, seating area and kickabout space.

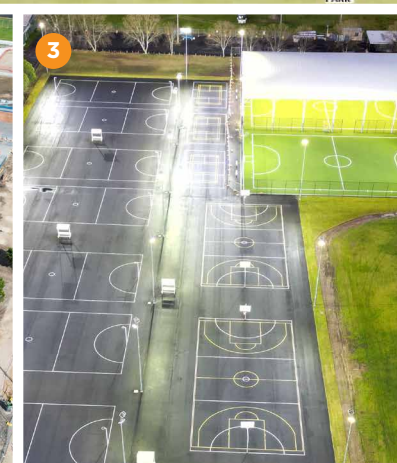

## 3 ENDEAVOUR SPORTS PARK

Works continue to transform Endeavour Sports Park into a grassroots sport and recreational precinct thanks to a \$16 million investment from the NSW Government's Western Sydney Infrastructure Grants program.

17 new multipurpose courts with lighting are now open and can be used by the community while the rest of Endeavour Sports Park is upgraded. The refurbishment of 3 amenities buildings and construction of the 2 synthetic grass fields is now underway. The redevelopment also includes an upgrade to the grassed football and cricket pitches.

## 4 BRENNAN PARK

We have an exciting new upgrade planned for Brennan Park Smithfield. The proposed works could include new playground equipment and nature play spaces, water play, flying fox, basketball half-court, outdoor fitness station, picnic lawn area, lighting and new car parking.
