APPLICATION FEE	SITE MAP - LOCATION OF WORKS (or attached)
<p>Restoration Inspection Fee: \$284.00 Per road segment or per 100 metre where road segment length is more than 100 metre.</p> <p><i>Road Reserve Clearance Certificate Issued where restoration meets Council compliance requirements.</i></p>	

I THE UNDERSIGNED, HAVE READ AND UNDERSTAND COUNCIL'S TERMS AND CONDITIONS FOR WORKS SUBMITTING THE FOLLOWING MANDATORY DOCUMENTATION

1. Traffic Management Plan (as per AS 1742.3 & RMS Traffic Control at Work Sites manual) pertaining to the site work proposed.
2. Road Reserve Dilapidation Report – Condition Assessment Report (QMF-CA-002) or similar
3. Construction drawing and specifications
4. Quality assurance documents including photo evidence during construction to ensure that the works are undertaken in line with drawing and specifications
5. A warranty period of two years will apply from the date of completion (after issuing of road reserve clearance certificate by council) for the workmanship for the restoration works as measured against the pre-construction condition. Utility Authority will maintain the public liability responsibility for the restoration works for a period of two years from the date of completion.
6. Site Location Map

*Within 10 days of lodgement of this application, Council's Traffic and Transport Branch will advise any amendment.
The Asset Management Division will forward an invoice following review of the proposed work.*

Following completion of restoration undertaken by others:

7. An inspection will be completed by Council Officers, who will determine any damage to Council's assets prior to issuing a Road Reserve Clearance Certificate. (QMF-CA-074).
8. If there is any damage to Council assets caused by the works, then the applicant is required to undertake rectification works at their cost within the allocated period. If the works are not completed within the given time frame to a satisfactory condition, Council may undertake the restoration / repair works with the applicant bearing the full cost in accordance with Council's fees & charges
9. If works are required or unsatisfactory and more than one inspection is required, a further fee is required for each subsequent inspection. Additional fees shall be paid prior to each inspection.
